

FREE ALZHEIMER'S & DEMENTIA RESPITE CARE PROGRAM

Sponsored by Gulf Coast Dementia Services

Respite care provides temporary relief for primary caregivers, allowing them to rest, manage personal tasks, or take a break while ensuring their loved one continues to receive care.

- Do you need a BREAK (Respite Care)?
- Do you know of someone who needs a BREAK/Respite Care?

We have the solution for you.

Respite Care is the number one request we hear from caregivers who are taking care of a loved one with Alzheimer's or Dementia.

Gulf Coast Dementia Services is taking applications for Respite Care, please call 251-355-9123 and get more information to determine if you or your loved one qualifies.

Process:

A completed application including required documentation of home address, household income and approval by the Program Committee Chair before a discount will be granted and services started.

Services will be at no cost for individuals and families who meet the criteria.

We reserve the right to deny services or discontinue services if deemed to be unsafe as determined by either the caregiver, Board or Staff.

Benefits will be dependent on funding.
